

**REBATE OFFERS!**

**GARMIN'S FALL REBATE OFFERS!**

*Save on an extra set of eyes!* Purchase a Garmin GTS 800, GTS 820 or GTS 850 traffic system and receive up to \$2,500 back via mail-in rebate.

*Garmin's making it even easier to upgrade to glass!* Purchase a Garmin G500 or G600 flight deck and receive up to \$6,000 back via mail-in rebate, and get 6 months of database updates free when you purchase a qualifying G500 or G600 flight deck.

(Offer is valid for purchases made between September 1, 2010-October 31, 2010.)

**You've always wanted a 430, Now's the time.**

**Did You Know...**

**We Take Various Trades!**

**Affordable Garmin 430's and Garmin340's**

Dave has just received a basket load of (serviceable/yellow tagged) Garmin 430 Non-WAAS/NAV/COM's. These units are from Cirrus upgrades and are 14/28 volt units with Terrain. (\$5600 with the unit, install kit and antenna... or \$7000 installed.)

**Hurry, these are going to fly off the shelves!**

But you really want a Garmin 430 WAAS unit? Here's how get a 430—*affordably!*

How? You have NexAir install one of the serviceable units for \$7000. When you're ready to upgrade, NexAir will give you a *BRAND NEW* Garmin 430W (with a 2yr warranty) with the trade of your straight 430 for \$3500. That's less than the cost of a new Garmin 430W installed and you end up with a new system. This offer is good for 2 yrs once you install the serviceable/yellow tagged 430 so you have plenty of time to plan for a WAAS upgrade.

We also have serviceable/yellow tagged Garmin GMA340 Audio Panels if you want to complete the package. (\$950 for the unit and install kit... or \$2,800 installed.)

NexAir Avionics is located on the east side of the grass runway (22/04). Look for the two big blue hangars.
