New NexAir News:

Dying to get that NEW Avidyne R9 panel you've always dreamed of, but just don't have the time? Ask Dave about **NexAir Avionic's Concierge Service**. We've picked-up aircraft from all over the country and brought them back to our shop.

New NexAir Announcements:

FreshAir Services at NexAir Avionics

FreshAir Services is proud to provide professional aircraft cleaning, detailing and appearance services at NexAir Avionics. While at NexAir, FreshAir Services can wash, wax, polish and protect your aircraft's exterior cleaning the belly and under the wings from grease, exhaust and bugs and then apply wax or paint sealant to provide a superior gloss finish. We can also clean and detail the interior of your aircraft including full vacuuming and carpet cleaning, vinyl protectant, window and acrylic surface cleaning, leather cleaning and conditioning, and cleaning of instrument screens and panels. FreshAir specializes in brightwork and chrome polishing so we can provide a mirror like appearance for your aircraft's chrome spinner. We utilize our aircraft cleaning products from Jet Stream Products (www.jetstreamproducts.com) For more information on FreshAir and our services, check out www.freshairdetailing.com.
