New NexAir Specials:

PS Engineering Introduces the PMA8000C

What's New You Ask? There have been several instances where having a 3rd com would have allowed the PMA8000BT to be installed, but since we originally took that channel and made it a telephone channel, we lost that capability. Enter Bluetooth.

*The trade-in offer is valid
Nov.1-Feb.29 and applies
for the PMA8000B,
PMA8000BT and the
PMA8000C!*

**Reserve your install time slot
with NexAir Avionics today!**

Now you can have the 3rd Com, telephone AND stream music at the same time. Offer good Nov.1-Feb.29.

How Much You Ask? This is the part you're really going to love! Not only does this install take about one hour of labor to remove your GARMIN GMA340 and replace with a PMA8000C but with a list price of \$2195, it's just \$100 more than the PMA8000BT. AND, WE'LL OFFER \$500 IN TRADE FOR YOUR GMA340!
